Activity Area

2019, February

creating a new cultural branch in Bydgoszcz:

Wiosna Festiwali

(The Spring of Festivals)

We became the only institution in the city,
organizing the cycle of international range festivals
during 3 months of Spring time

Wiosna Festiwali

5 great festivals in short period of time

What festivals are we talking about?

← MIEJSKIE CENTRUM KULTURY w Bydgoszczy

- unique on regional and national market
- highly appreciated in their genre
- hosts the biggest stars of their branches
- widely commented in the media
- professionally prepared in terms of identification
- giving an authentic promotional input for the city
- giving the cultural input for people in Bydgoszcz
